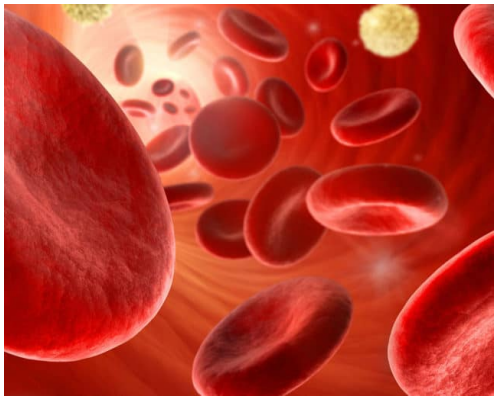
National Blood Donor Month



Why give blood?
Five health benefits from donating blood:

- Free blood tests – donated blood is tested and donor can asked to be informed if any irregularities are found.
- Satisfaction of saving human lives
- Calorie burn – Blood donation process burns 650 calories – about the same as an average spin class!
- Reduced risk of heart disease – helps eliminate excess buildup of iron in the blood
- Reduced risk of cancer – also due to reduction of excess iron buildup in the blood

New Year's Resolutions

Every year, millions of people make New Year's resolutions, hoping to spark positive change. However once the glow of a fresh new year wears off, many people struggle to make good on their plans.

If you want to realize your New Year's resolution this year, follow these 10 steps:
1. Mentally prepare for change
2. Set a goal that motivates you
3. Limit resolutions to a manageable amount
4. Be specific

SMART goal setting framework can help you craft better goals-

- Specific
- Measurable
- Attainable
- Relevant
- Time-sensitive

5. Break up big goals into smaller goals
6. Write down your goals
7. Share your resolutions with others
8. Automate where possible
9. Review your resolution regularly
10. If you fall off track, get back on quick
