

Florida Insurance Brokers, simplifying a complicated subject like insurance and helping you design a benefit package that will attract and maintain a healthy, talented workforce.

The Olympics

Olympic Games, are the athletic festival that originated in ancient Greece and was revived in the late 19th century. Perhaps the basic difference between the ancient and modern Olympics is that the former was the ancient Greeks' way of saluting their gods, whereas the modern Games are a manner of saluting the athletic talents of citizens of all nations. At the meeting in 776 BCE there was apparently only one event, a race known as the *stade*. The word *stade* also came to refer to the track on which the race was held and is the origin of the modern English word *stadium*.

Wondering about [the next games](#)?

- 2022: Beijing (Winter)
- 2024: Paris (Summer)

Travel 2022

More than two-thirds of Americans (approximately 70%) take vacations annually. On Nov. 8, 2021, the U.S. reopened its borders to vaccinated travelers from around the globe and several countries in Europe, Asia, and beyond have started welcoming American tourists. Starting 12/6/21, all travelers entering the U.S., regardless of their vaccination status or nationality, must provide proof of a negative COVID-19 test (either a PCR or an antigen test) within one calendar day of their departing flight. Biden has also extended the current rule mandating mask wearing on airplanes, trains, buses and at airports through mid-March.

Travelers are ready to get out and explore – and 2022 could be even more popular for trips than before the pandemic.

Our Benefit Consultants have the resources to inform and guide you through the processes and requirements for offering group health insurance. Our online tools and enrollment system, along with a *personal touch*, help ensure benefit administration is done right. Let us help you.
